**APRIL M. WILSON ELECTED TO THE BOARD OF
THE CAPITAL REGION MEDICAL RESEARCH FOUNDATION**

ALBANY, NY—McNamee, Lochner, Titus & Williams, P.C. is pleased to announce that attorney April M. Wilson was elected to the board of the Capital Region Medical Research Foundation. The Capital Region Medical Research Foundation (CRMRF) funds nationally recognized clinical and medical research.

“I am committed to supporting CRMRF in innovative and collaborative approaches to education, research, and patient care.” said April Wilson. “The focus on helping patients and families in the greater Albany area aligns with the family law and matrimonial practice here at McNamee, Lochner, Titus & Williams.”

Ms. Wilson's practice includes the areas of matrimonial, family court matters, plaintiff's personal injury, complex criminal defense, and defending professionals in disciplinary matters. Ms. Wilson has extensive trial experience including high profile criminal matters and successful trials, negotiation, mediation and settlement of substantial civil cases. She joined the firm in 2010.

The Capital Region Medical Research Foundation is dedicated to advancing urological medical research and education, thereby improving the health and wellness of the community. Information can be found at www.crmrf.org.

McNamee, Lochner, Titus & Williams, P.C. has 33 attorneys and 32 staff members all dedicated to providing the highest level of legal services to its clients. McNamee's offices are located at 677 Broadway in Albany and 646 Plank Road in Clifton Park.
