McNamee, Lochner, Titus & Williams among Top Law Firms in U.S.

Albany, NY - McNamee, Lochner, Titus & Williams, P.C. has been selected by Martindale-Hubbell® as one of the **Top Ranked Law Firms** in the United States. The rankings appeared in the Fortune Magazine *Investor's Guide 2012* edition, as well as on CNNMoney.com, Martindale.com and Lawyers.com.

LexisNexis® Martindale-Hubbell® compiled the data to select the firms named. Each Top Ranked Law Firm has 21 or more attorneys, and one-third or more of those attorneys needed to carry an AV Preeminent rating by Martindale-Hubbell. Less than one-half of one percent of firms across the nation made the grade.

"We are very proud to be included in this list of the Top Ranked Law Firms in the country and we are particularly pleased that the number of our attorneys rated AV Preeminent significantly exceeds the number required to be listed." said Vincent Valenza, McNamee's Managing Principal.

With more than half of its attorneys AV Preeminent rated, McNamee, Lochner, Titus & Williams was 1 of only 132 firms in the entire Northeast of America to be selected a Top Ranked Law Firm. An attorney's AV Preeminent rating indicates the highest level of ethical standards and legal ability, as determined by the attorney's peers of the bar and judiciary, in a confidential poll. The legal community members who provide the ratings have experience working with the attorney under review.

Martindale-Hubbell® is one of the most-respected peer-review publications in the legal profession. For more than 140 years, Martindale-Hubbell® has earned the respect of the legal profession and the public as one of the most reliable, unbiased sources of legal ratings anywhere.
